My dear Mr. Silverthorn,
My report on your high school was made to the high school committee a few days ago. They join me in extending to you congratulations on the character of the work which you are doing. It is a matter of great satisfaction to all of us to find such a high school as you have. Your teaching force should be commended for the splendid spirit which they show, and for the very thorough work which they are doing. Yours, wishing you a happy New Year,
I am sincerely,

The Law Saved Him.
"Is it not enough for you?" cheerily asked the little man when the world was sweltering at 102 in the shade. Without a word the man addressed reached for his hip pocket. "Curse," he muttered, "on the law that forbids the carrying of concealed weapons!"

Psychological Influences.
"I can't understand what has made me so thirsty all of a sudden," exclaimed the staid passenger on the through train.
"Easy enough," replied the drummer. "We have just crossed the line into a prohibition state."

Almost a Miracle.

He Knew His Sister.
Little Dick—Is this the house you and Sis is to live in when you is married?

Mr. Nicefello—Yes, my boy. What do you think of it?
"Faint half big enough."
"Your sister, myself and a servant will constitute the family, as a rule. I am sure there is plenty of room for us and spare rooms for the relatives."
"Yes, plenty for the family, but the family don't count. What you want is strangers, all the time too."
"Ha, ha! Why should I wish to entertain strangers, my boy? I am not going to keep a hotel."
"Cause Sis will always be real kind and polite to you when strangers is about."

POINTED PARAGRAPHS.

Nine-tenths of the things people quarrel over do not make any difference one way or the other.

When the doctor says to you, "Old man, I'm sorry, but you can't live an hour," how will you take it?
